

Eukaryotic Fibroblast Growth Factor 10 (FGF10)

Catalog No: tcup8396

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

293F cell

Purity / Grade:

> 95%

Amino Acids:

Gln38~Ser208

SwissProt:

O15520

Predicted Molecular Weight:

20.9kDa

Observed Molecular Weight:

21kDa

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
