

Eukaryotic Hepcidin (Hepc)

Catalog No: tcup8402

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

293F cell

Purity / Grade:

> 95%

Amino Acids:

Ser25~Thr84

SwissProt:

P81172

Predicted Molecular Weight:

34.1kDa

Observed Molecular Weight:

34kDa

Tags:

N-terminal His Tag and C-terminal Fc Region of Human IgG1

Product Description

Eukaryotic expression
