

Eukaryotic Interleukin 1 Beta (IL1b)

Catalog No: tcup8404

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

293F cell

Purity / Grade:

> 95%

Amino Acids:

Ala117~Ser269

SwissProt:

P01584

Predicted Molecular Weight:

19.0kDa

Observed Molecular Weight:

19kDa

Tags:

N-terminal His Tag

Product Description
