

Eukaryotic Myostatin (MSTN)

Catalog No: tcup8406

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

293F cell

Purity / Grade:

> 95%

Amino Acids:

Asn24~Ser375

SwissProt:

O14793

Predicted Molecular Weight:

40.3kDa

Observed Molecular Weight:

40kDa

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
