

Eukaryotic Osteopontin (OPN)

Catalog No: tcup8410

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

293F cell

Purity / Grade:

> 95%

Amino Acids:

Leu17~Asn317

SwissProt:

P10451

Predicted Molecular Weight:

34.9kDa

Observed Molecular Weight:

35kDa

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
