

Eukaryotic Interleukin 10 (IL10)

Catalog No: tcup8416

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

293F cell

Purity / Grade:

> 97%

Amino Acids:

Ser19~Asn178

SwissProt:

P22301

Predicted Molecular Weight:

20.3kDa

Observed Molecular Weight:

18kDa

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
