

Eukaryotic Interleukin 10 (IL10)

Catalog No: tcup8436

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Canis familiaris; Canine (Dog)

Source:

293F cell

Purity / Grade:

> 95%

Amino Acids:

Ser20~Ile181

SwissProt:

P48411

Predicted Molecular Weight:

20.7kDa

Observed Molecular Weight:

20kDa

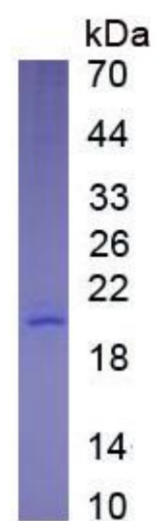

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
