

Eukaryotic Sex Hormone Binding Globulin (SHBG)

Catalog No: tcup8449

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

293F cell

Purity / Grade:

> 60%

Amino Acids:

Pro51~Asp218

SwissProt:

P04278

Predicted Molecular Weight:

20.4kDa

Observed Molecular Weight:

20kDa

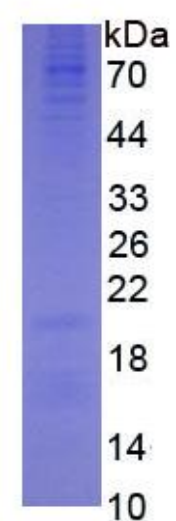

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
