

Eukaryotic Matrix Metalloproteinase 13 (MMP13)

Catalog No: tcup8450

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

293F cell

Purity / Grade:

> 97%

Amino Acids:

Leu14~Cys466

SwissProt:

P23097

Predicted Molecular Weight:

53.4kDa

Observed Molecular Weight:

60kDa

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
