

# Active Diacylglycerol Kinase Epsilon (DGKe)

Catalog No: tcup9120

## Available Sizes

---

**Size:** 10ug

**Size:** 50ug

**Size:** 200ug

## Specifications

---

**Application:**

Cell culture; Activity Assays.

**Species:**

Homo sapiens (Human)

**Source:**

-

**Purity / Grade:**

> 95%

**Amino Acids:**

Leu243~Gly502

**SwissProt:**

P52429

**Predicted Molecular Weight:**

32.5kDa

**Observed Molecular Weight:**

33kDa

**Tags:**

N-terminal His Tag

## Product Description

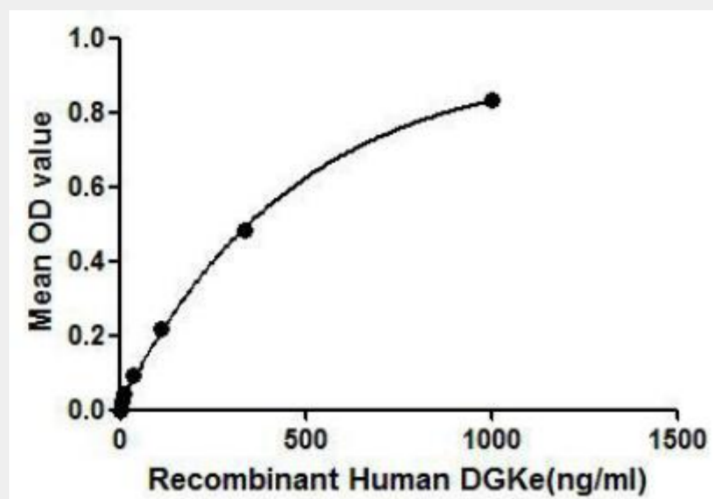

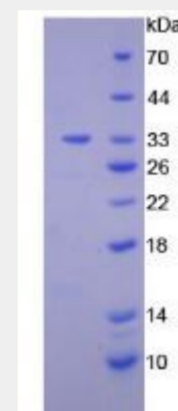

Figure 1. The binding activity of DGKe with PDHA.
