

# Active S100 Calcium Binding Protein B (S100B)

Catalog No: tcup9121

## Available Sizes

---

**Size:** 10ug

**Size:** 50ug

**Size:** 200ug

## Specifications

---

**Application:**

Cell culture; Activity Assays.

**Species:**

Rattus norvegicus (Rat)

**Source:**

-

**Purity / Grade:**

> 95%

**Amino Acids:**

Met1~Glu92

**SwissProt:**

P04631

**Predicted Molecular Weight:**

12.0kDa

**Observed Molecular Weight:**

12kDa

**Tags:**

N-terminal His Tag

## Product Description

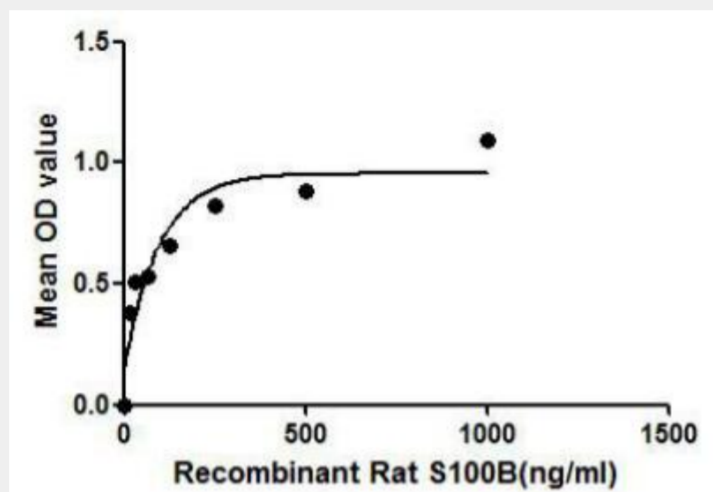

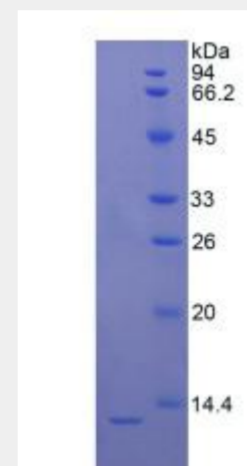

Figure 1. The binding activity of S100B with RAGE.
