

Active Neuraminidase (NEU)

Catalog No: tcup9122

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Cell culture; Activity Assays.

Species:

Homo sapiens (Human)

Source:

-

Purity / Grade:

> 97%

Amino Acids:

Ala47~Leu415

SwissProt:

Q99519

Predicted Molecular Weight:

45.0kDa

Observed Molecular Weight:

46kDa

Tags:

N-terminal His Tag

Product Description

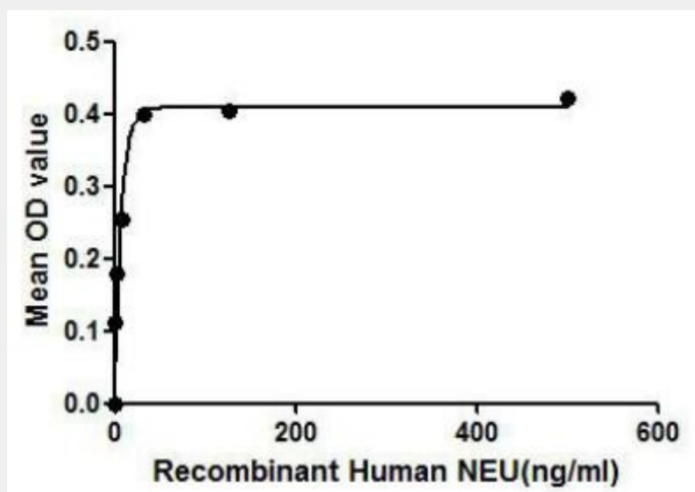

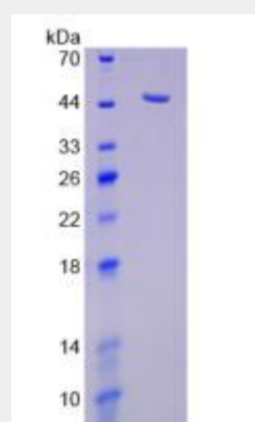

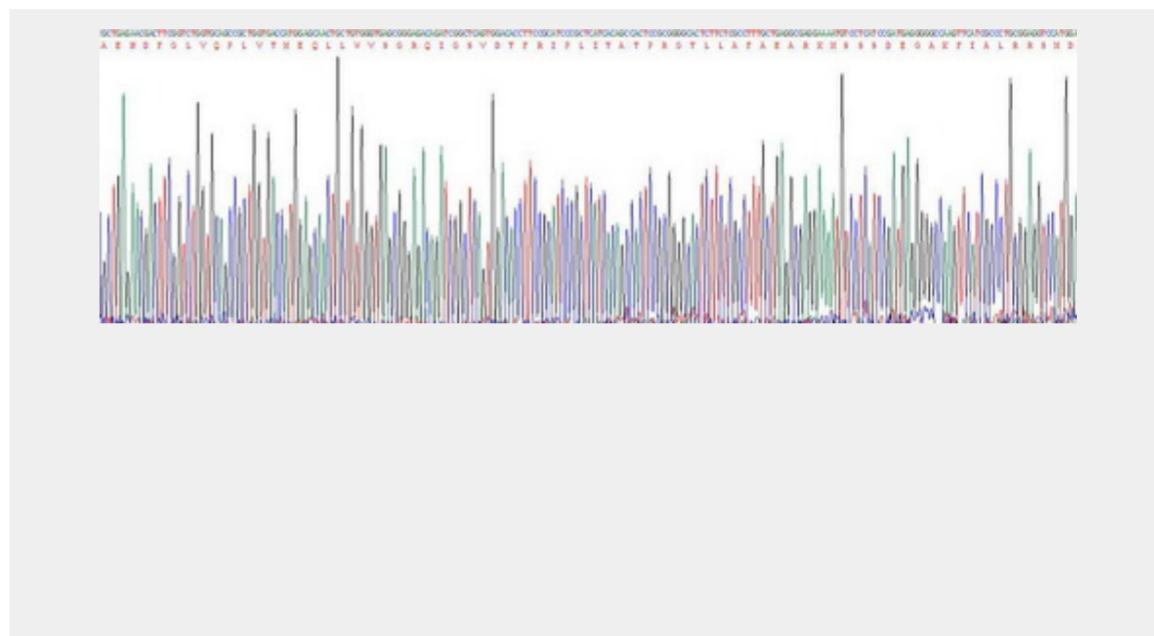

Figure 1. The binding activity of NEU with CTSA.
