

Recombinant Interleukin 1 Beta (IL1b)

Catalog No: **tcup9133**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Chicken (Gallus)

Source:

Prokaryotic expression

Purity / Grade:

> 90%

Amino Acids:

Arg110~Lys263

SwissProt:

P01584

Predicted Molecular Weight:

20.9kDa

Observed Molecular Weight:

21kDa

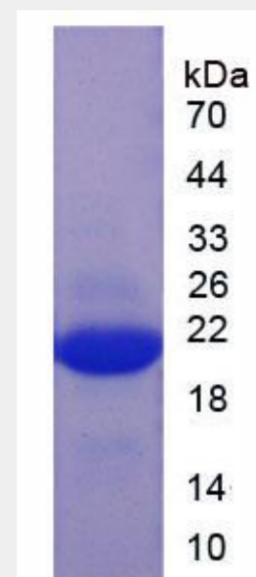

Tags:

N-terminal His Tag

Product Description

Prokaryotic expression
