

Recombinant Insulin (INS)

Catalog No: **tcup9134**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Cavia (Guinea pig)

Source:

Prokaryotic expression

Purity / Grade:

> 95%

Amino Acids:

Phe25~Asn110

SwissProt:

P01329

Predicted Molecular Weight:

23.3kDa

Observed Molecular Weight:

20kDa

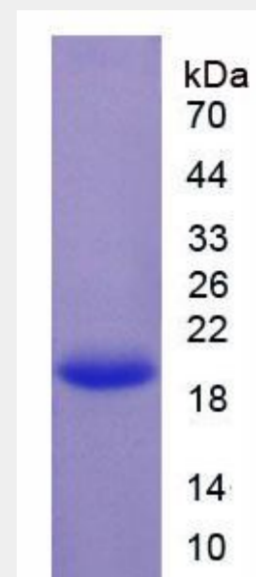

Tags:

Two N-terminal Tags, His-tag and SUMO-tag

Product Description

Prokaryotic expression
