

Recombinant Hypoxia Inducible Factor 1 Alpha (HIF1a)

Catalog No: tcup9137

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

Prokaryotic expression

Purity / Grade:

> 90%

Amino Acids:

Pro216~Val336

SwissProt:

NM_024359.1

Predicted Molecular Weight:

15.4kDa

Observed Molecular Weight:

16kDa

Tags:

N-terminal His Tag

Product Description
