

Active Interferon Alpha (IFNa)

Catalog No: tcup9165

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Cell culture; Activity Assays.

Species:

Mus musculus (Mouse)

Source:

293F cell

Purity / Grade:

> 97%

Amino Acids:

Cys24~Lys189

SwissProt:

P01572

Predicted Molecular Weight:

20.7kDa

Observed Molecular Weight:

20/25kDa

Tags:

N-terminal His Tag

Product Description

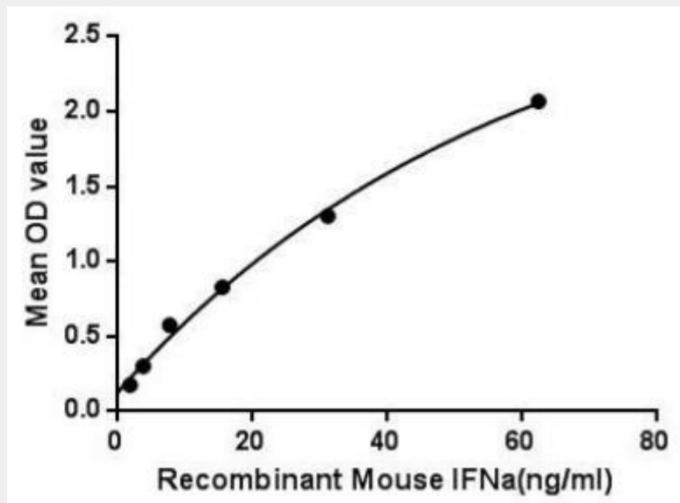

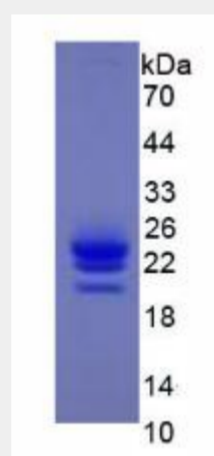

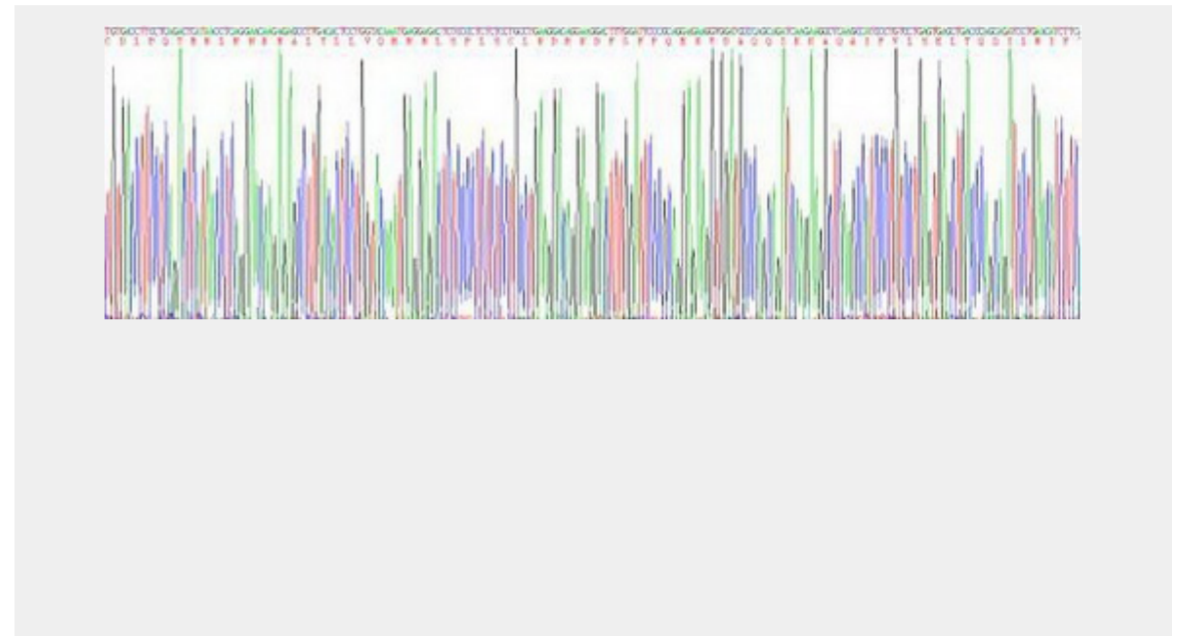

Figure 1. The binding activity of IFNa with IFNA13.
