

Active Integrin Associated Protein (IAP)

Catalog No: **tcup9196**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Cell culture; Activity Assays.

Species:

Mus musculus (Mouse)

Source:

E. coli

Purity / Grade:

> 90%

Amino Acids:

Ala18~Gly219

SwissProt:

Q61735

Predicted Molecular Weight:

23.7kDa

Observed Molecular Weight:

23kDa

Tags:

N-terminal His Tag

Product Description

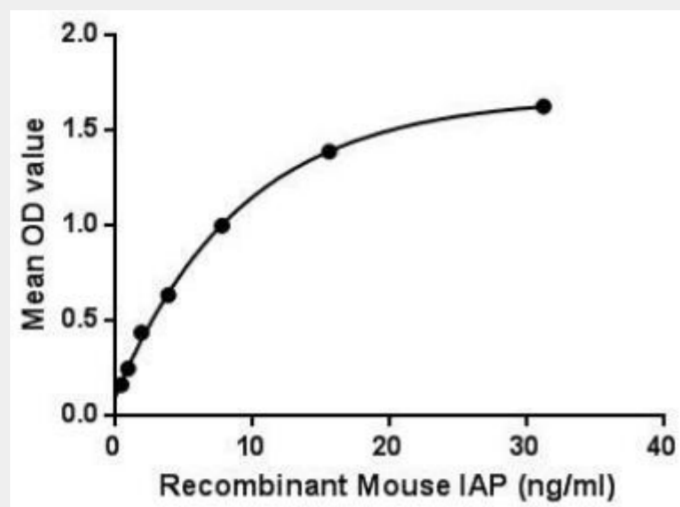

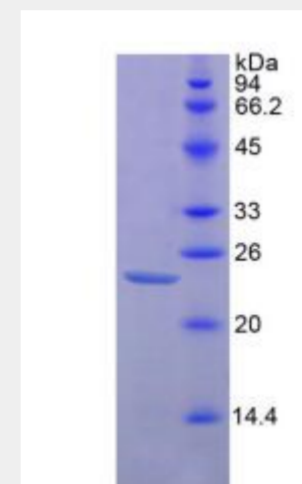

Figure 1. The binding activity of IAP with SIRPa.
