

Recombinant Anti Mullerian Hormone (AMH)

Catalog No: **tcup9246**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Thr193~Arg560 linked with KLAAALEHHHHHH

SwissProt:

P03971

Predicted Molecular Weight:

44.3kDa

Observed Molecular Weight:

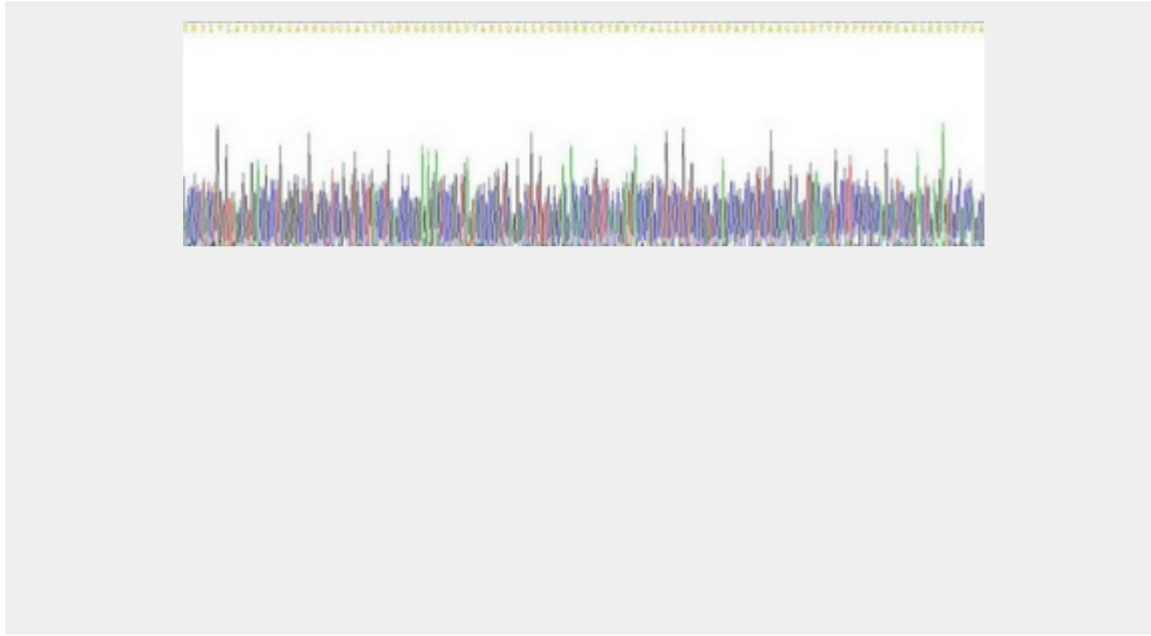

48kDa

Tags:

N-terminal His Tag

Product Description

Prokaryotic expression
