

Recombinant Microphthalmia Associated Transcription Factor (MITF)

Catalog No: tcup9262

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

RPH645Hu01

SwissProt:

O75030

Predicted Molecular Weight:

61.9kDa

Observed Molecular Weight:

62kDa

Tags:

N-terminal His Tag

Product Description

Prokaryotic expression
