

# Synthetic Procollagen III N Terminal Propeptide (PIIINP)

**Catalog No: tcup9265**

## Available Sizes

---

**Size:** 10ug

---

**Size:** 50ug

---

**Size:** 200ug

---

## Specifications

---

**Application:**

Immunogen; Blocking Peptide.

---

**Species:**

Mus musculus (Mouse)

---

**Purity / Grade:**

> 95%

---

**SwissProt:**

P08121#PRO\_0000005743

---

**Predicted Molecular Weight:**

1791.1Da

---

**Tags:**

N-terminal His Tag

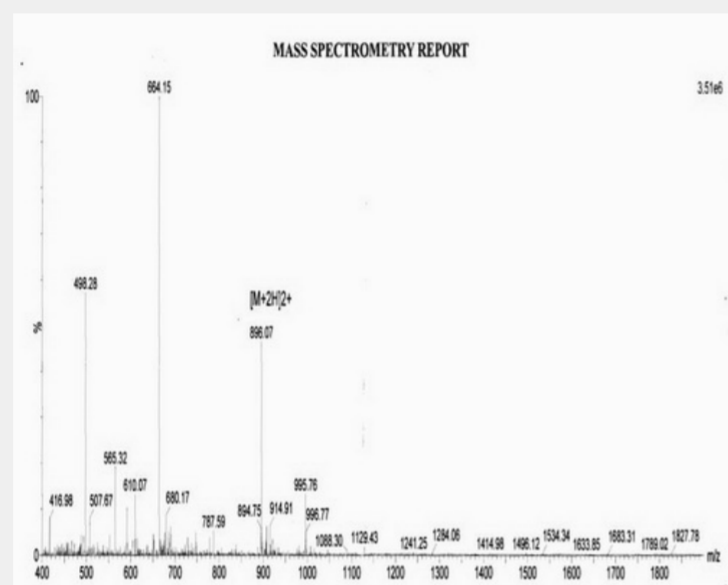

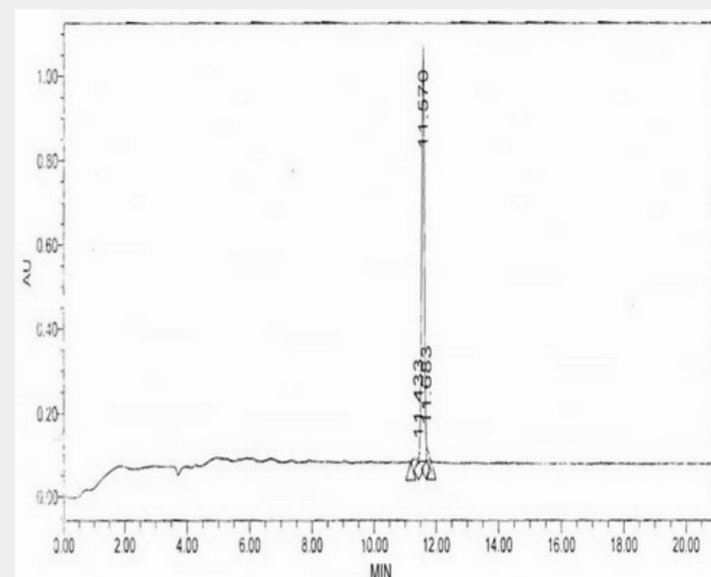

---

## Product Description

Peptide synthesis

QICVCD
