

Polyclonal Antibody to Collagen Type II (COL2)

Catalog No: tcua11902

Available Sizes

Size: 20ul

Size: 100ul

Size: 200ul

Specifications

Application:

WB; IHC; ICC; IP.

Research Area:

Metabolic pathway;Developmental science;Hepatology;Bone metabolism;

Species Reactivity:

Chicken (Gallus)

Host Species:

Rabbit

Conjugation:

Unconjugated

Clonality:

Polyclonal

Form:

Liquid

Storage Buffer:

PBS, pH7.4, containing 0.02% NaN₃, 50% glycerol.

Recommended Dilution:

Western blotting: 0.2-2μg/mL;1:250-2500

Immunohistochemistry: 5-20µg/mL;1:25-100

Immunocytochemistry: 5-20µg/mL;1:25-100

Optimal working dil
