

Polyclonal Antibody to Troponin C (TNC)

Catalog No: tcua11919

Available Sizes

Size: 20ul

Size: 100ul

Size: 200ul

Specifications

Application:

WB; IHC; ICC; IP.

Research Area:

Infection immunity; Cardiovascular biology;

Species Reactivity:

Oryctolagus cuniculus (Rabbit)

Host Species:

Guinea pig

Conjugation:

Unconjugated

Clonality:

Polyclonal

Form:

Liquid

Storage Buffer:

PBS, pH7.4, containing 0.02% NaN₃, 50% glycerol.

Recommended Dilution:

Western blotting: 0.2-2μg/mL; 1:250-2500

Immunohistochemistry: 5-20µg/mL;1:25-100

Immunocytochemistry: 5-20µg/mL;1:25-100

Optimal working dil

Alternative Names:

Tn-C; TNNC
