

Monoclonal Antibody to Gastric Intrinsic Factor (GIF)

Catalog No: tcua19311

Available Sizes

Size: 20ul

Size: 100ul

Size: 200ul

Specifications

Application:

WB; IHC; ICC; IP.

Research Area:

Endocrinology;

Species Reactivity:

Homo sapiens (Human)

Host Species:

Mouse

Conjugation:

Unconjugated

Clonality:

Monoclonal

Form:

Liquid

Storage Buffer:

PBS, pH7.4, containing 0.02% NaN₃, 50% glycerol.

Recommended Dilution:

Western blotting: 0.2-2μg/mL; 1:500-5000

Immunohistochemistry: 5-20µg/mL;1:50-200

Immunocytochemistry: 5-20µg/mL;1:50-200

Optimal working dil

Alternative Names:

TCN3; IF; IFMH; INF; Transcobalamin III; Vitamin B Synthesis
