

Nafocare B1

Catalog No: tcsc0018392

Available Sizes

Size: 1mg

Size: 5mg

Size: 10mg

Specifications

CAS No:

93135-89-8

Formula:

$C_{11}H_{12}O_7$

Pathway:

Others

Target:

Others

Purity / Grade:

>98%

Solubility:

10 mM in DMSO

Alternative Names:

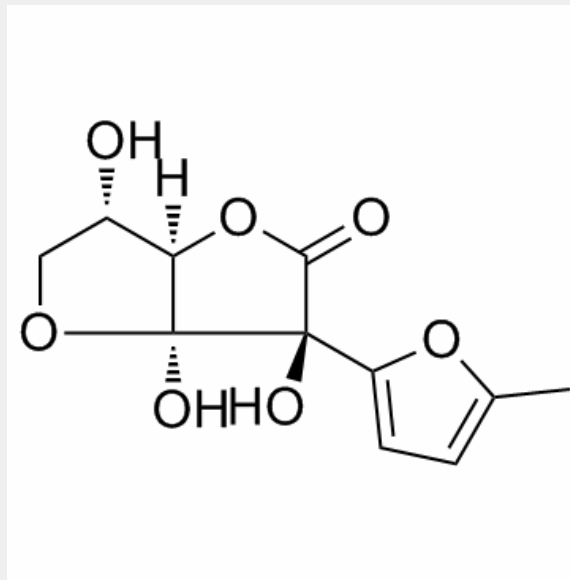

Methylfurylbutyrolactone

Observed Molecular Weight:

256.21

Product Description

Nafocare B1 is a synthetic immune biological response modifier.

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
