

# Cinperene

**Catalog No: tcsc0018416**

## Available Sizes

**Size:** 1mg

**Size:** 5mg

**Size:** 10mg

## Specifications

**CAS No:**

14796-24-8

**Formula:**

$C_{25}H_{28}N_2O_2$

**Pathway:**

Others

**Target:**

Others

**Purity / Grade:**

>98%

**Solubility:**

10 mM in DMSO

**Alternative Names:**

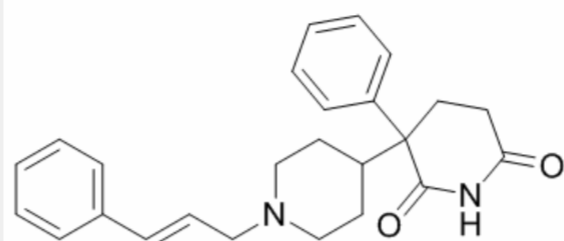

R5046

**Observed Molecular Weight:**

388.5

## Product Description

Cinperene is an atropine-like drug which can block pilocarpine-induced lacrimation and salivation.

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
