

# Collagen proline hydroxylase inhibitor-1

Catalog No: tcsc0356

## Available Sizes

---

**Size:** 5mg

## Specifications

---

**CAS No:**

223663-32-9

**Formula:**

$C_{24}H_{21}N_5O_4$

**Pathway:**

Others

**Target:**

Others

**Purity / Grade:**

>98%

**Solubility:**

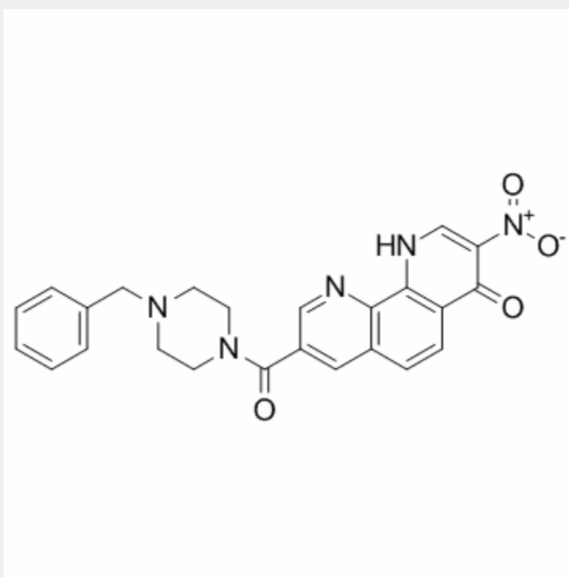

10 mM in DMSO

**Observed Molecular Weight:**

443.45

## Product Description

Collagen proline hydroxylase inhibitor-1 is an antifibroproliferative agents.

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
