

# Butoconazole (nitrate)

Catalog No: tcsc2307

## Available Sizes

**Size:** 100mg

**Size:** 200mg

## Specifications

**CAS No:**

64872-77-1

**Formula:**

$C_{19}H_{18}Cl_3N_3O_3S$

**Pathway:**

Anti-infection

**Target:**

Fungal

**Purity / Grade:**

>98%

**Solubility:**

10 mM in DMSO

**Alternative Names:**

RS 35887

**Observed Molecular Weight:**

474.79

## Product Description

Butoconazole nitrate is an anti-fungal agent.

Target: Antifungal

butoconazole 1-BSR is an effective and safe alternative to longer-term therapy with miconazole nitrate (seven days) for vulvovaginal candidiasis [1]. A sustained-release (SR) bioadhesive vaginal cream (2% butoconazole nitrate) has incorporated VagiSite technology, a topical drug delivery system that allows SR of the drug [2].
