

# α-Tocopherol (phosphate)

Catalog No: tcsc3215

## Available Sizes

**Size:** 5mg

**Size:** 10mg

## Specifications

**CAS No:**

38976-17-9

**Formula:**

$C_{29}H_{51}O_5P$

**Pathway:**

Others

**Target:**

Others

**Purity / Grade:**

>98%

**Solubility:**

10 mM in DMSO

**Alternative Names:**

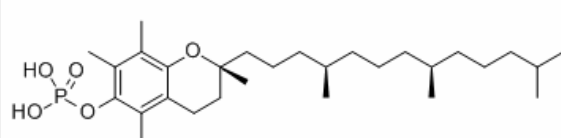

alpha-Tocopherol phosphate;TocP;vitamin E phosphate

**Observed Molecular Weight:**

510.69

## Product Description

$\alpha$ -Tocopherol (vitamin E phosphate) is the compound demonstrating the highest vitamin E activity, which is available both in its natural form as RRR- $\alpha$ -tocopherol isolated from plant sources.
