

Sagittatoside B

Catalog No: tcsc3691

Available Sizes

Size: 5mg

Size: 10mg

Specifications

CAS No:

118525-36-3

Formula:

$C_{32}H_{38}O_{14}$

Pathway:

Others

Target:

Others

Purity / Grade:

>98%

Solubility:

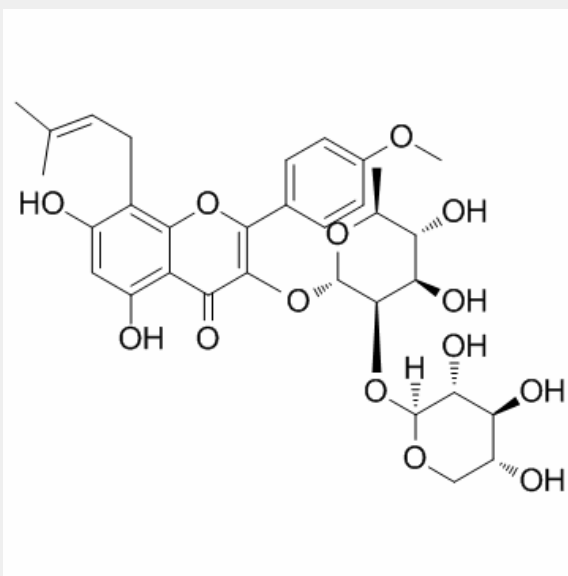

10 mM in DMSO

Observed Molecular Weight:

646.64

Product Description

Sagittatoside B is a natural compound isolated from traditional Chinese herb Yinyanghuo (Herba Epimdii).

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
