

Telocinobufagin

Catalog No: tcsc3703

Available Sizes

Size: 5mg

Size: 10mg

Specifications

CAS No:

472-26-4

Formula:

$C_{24}H_{34}O_5$

Pathway:

Others

Target:

Others

Purity / Grade:

>98%

Solubility:

10 mM in DMSO

Alternative Names:

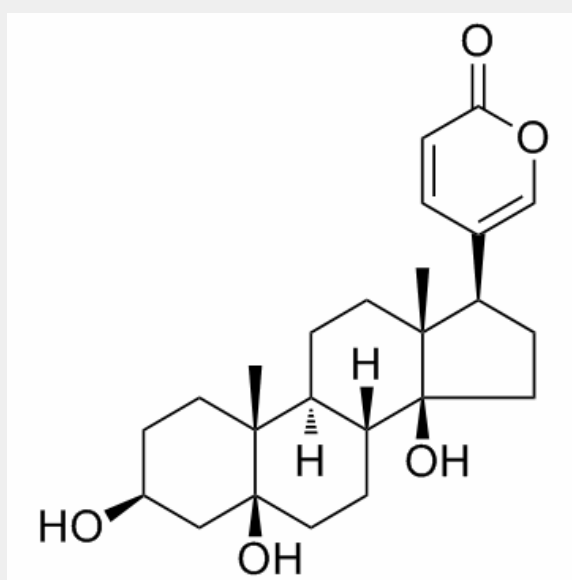

Telobufotoxin;Telocinobufogenin

Observed Molecular Weight:

402.52

Product Description

Telocinobufagin is one of anti-hepatoma constituent in Venenum Bufonis.

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
