

# Cyantraniliprole

Catalog No: tcsc4096

## Available Sizes

**Size:** 5mg

**Size:** 10mg

**Size:** 50mg

**Size:** 100mg

## Specifications

**CAS No:**

736994-63-1

**Formula:**

$C_{19}H_{14}BrClN_6O_2$

**Pathway:**

Others

**Target:**

Others

**Purity / Grade:**

>98%

**Solubility:**

DMSO : 50 mg/mL (105.55 mM; Need ultrasonic); H2O :

**Alternative Names:**

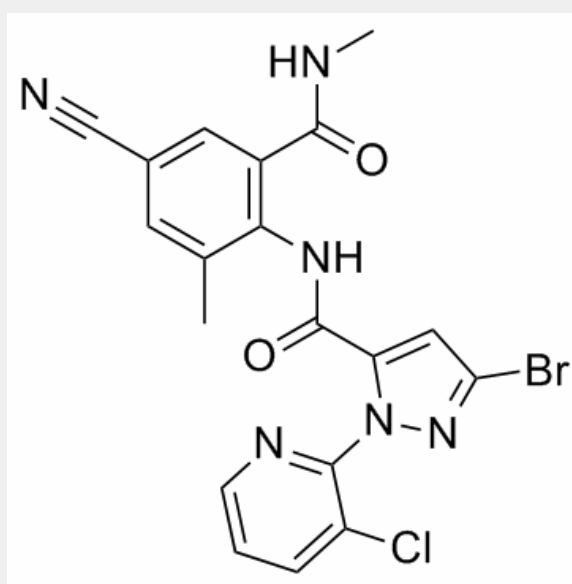

HGW-86

**Observed Molecular Weight:**

473.71

## Product Description

Cyantraniliprole(HGW-86) is an insecticide of the ryanoid class; has activity against pests such as Diaphorina citri that have developed resistance to other classes insecticides.
