

Cinnarizine

Catalog No: tcsc4656

Available Sizes

Size: 100mg

Specifications

CAS No:

298-57-7

Formula:

$C_{26}H_{28}N_2$

Pathway:

Immunology/Inflammation;GPCR/G Protein;Membrane Transporter/Ion Channel

Target:

Histamine Receptor;Histamine Receptor;Calcium Channel

Purity / Grade:

>98%

Solubility:

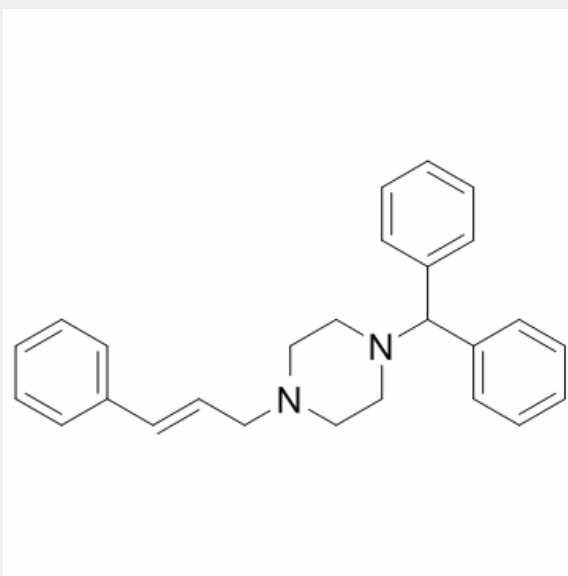

DMSO : 7.14 mg/mL (19.38 mM; Need ultrasonic)

Observed Molecular Weight:

368.51

Product Description
