

Bendazol

Catalog No: tcsc8010

Available Sizes

Size: 100mg

Size: 500mg

Size: 1g

Specifications

CAS No:

621-72-7

Formula:

$C_{14}H_{12}N_2$

Pathway:

Immunology/Inflammation

Target:

NO Synthase

Purity / Grade:

>98%

Solubility:

10 mM in DMSO

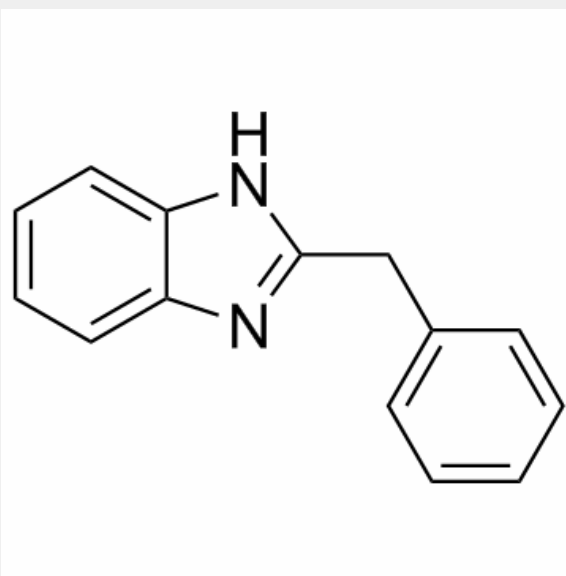

Observed Molecular Weight:

208.26

Product Description

Bendazol is a hypotensive drug which can also enhance **NO synthase** activity in renal glomeruli and collecting tubules.

IC50 & Target: NO synthase^[1]
