

anti- LONP1 antibody

Catalog No: tcfa4808

Available Sizes

Size: 100μg

Specifications

Application:

ELISA, WB, IHC, IF

Species Reactivity:

Human, Mouse, Rat

Host Species:

Mouse

Immunogen / Amino acids:

lon peptidase 1, mitochondrial

Isotype:

IgG2a

Form:

liquid

Storage Instruction:

PBS with 0.02% sodium azide and 50% glycerol pH 7.3,-20°C for 24 months(Avoid repeated freeze / thaw cycles.)

Alternative Names:

PRSS15

SwissProt:

P36776

Positive Control:

100 kDa

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
