

BrdU Cell Proliferation Assay Kit

Catalog No: tcaa2561

Available Sizes

Size: 200Tests

Specifications

Application:

ELISA

Research Area:

Cell Cycle

Species Reactivity:

BrdU Incorporated Cells

Host Species:

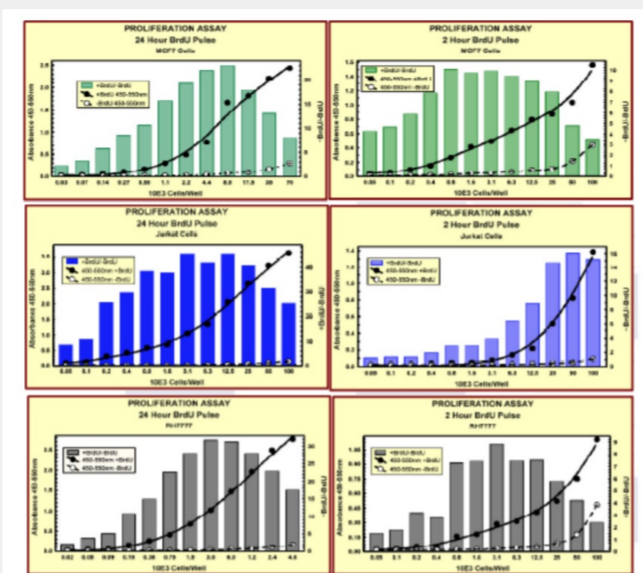

N/A

Isotype:

N/A

Storage Instruction:

Store kit at -20°C until first use. Store at 4-8°C thereafter.

BrdU Cell Proliferation Assay Kit, detection of variable numbers of Jurkat (non-adherent) or MCF7 or RH7777 (adherent) cells per well with 2 or 24 hour pulse with BrdU. Y axis - left, OD 450-550 nm. Y axisright, signal -to-noise ratio.

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
